

2021 PROGRAM SNAPSHOT

EXCEPTIONAL LEADERSHIP SKILLS DEVELOPMENT AND NETWORKING FOR EMERGING AND FUTURE LEADERS IN THE PUBLIC SECTOR.

OVERVIEW

The Future Leaders Program is for emerging and future leaders who are passionate, established and engaged in the public sector, with aspirations of progressing to management roles.

Now in it's sixth year, the program has been redesigned in collaboration with Deloitte, based on global best practice in adaptive leadership education and feedback from alumni.

We are holding three cohorts in 2021. Each cohort offers a series of six unique, immersive sessions which will build and amplify participants' leadership skills and help them to thrive in an ever-transforming public sector.

VENUE

We are delivering the program physically at the National Portrait Gallery, ACT, ensuring all COVID-19 safety protocols are followed. Should COVID restrictions change in the ACT, we will consider a shift to virtual delivery.

WHO CAN APPLY?

Participants should be at the APS6 to EL1 level, or equivalent levels for private sector or academia. It is not for those currently undertaking a graduate program. The Future Leaders Program is only open to IPAA ACT corporate members.

If you are interested in the program, please reach out to the IPAA team on 02 6154 9800 or admin@act.ipaa.org.au.
