

2022 PROGRAM SNAPSHOT

EXCEPTIONAL LEADERSHIP SKILLS
DEVELOPMENT AND NETWORKING FOR
EMERGING AND FUTURE LEADERS IN THE
PUBLIC SECTOR.

OVERVIEW

The Future Leaders Program is for emerging and future leaders who are passionate, established and engaged in the public sector, with aspirations of progressing to management roles. We are holding multiple cohorts in 2022. Each cohort offers a series of six unique, immersive sessions which will build and amplify participants' leadership skills and help them to thrive in an ever-transforming public sector.

DELIVERY

In 2022, the program will be offered in both face to face and virtual delivery. Participants can choose the delivery method that best suits them. Cohorts 1 and 2 will be offered virtually through MS Teams. Cohorts 3 and 4 will be delivered face to face in Canberra. There may be additional cohorts offered later in 2022.

WHO CAN APPLY?

Participants should be at the APS6 to EL1 level, or equivalent levels for private sector or academia. It is not for those currently undertaking a graduate program. The Future Leaders Program is only open to IPAA ACT corporate members. If you are interested in the program, please reach out to the IPAA team on 02 6154 9800 or admin@act.ipaa.org.au.
