NEWS AND RESOURCES

FIVE THINGS FOR LEADERS TO CONSIDER IN 2021

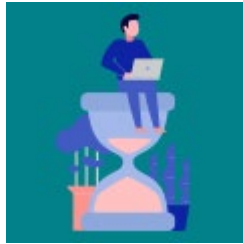

While COVID-19 still resonates, we need to plan for the year ahead under a relative degree of uncertainty. This piece by Alex Badenoch, Telstra's Group Executive - Transformation, Communications & People, outlines five things they're asking their leaders to consider when managing a hybrid of virtual and on-site teams, that allow their people to thrive. PROUD WOMEN LEADERS FROM ACROSS THE PUBLIC SECTOR

We celebrate IWD2021 this week with videos produced by IPAA NSW. The videos feature women leaders from across the Australian public sector taking about why they're proud to be leaders in 'the most extraordinary of all workforces' and providing advice to young women wanting to become public sector leaders themselves. HOW TO GET MORE DONE IN LESS TIME

We spend our days trying to tick things off our to-do list, and it still feels like we haven't done enough, or worse, haven't been efficient. This HBR article gives four simple tips on how you can be more productive in ways that feel manageable and good. [More >>>](#)

THE HUMAN CENTERED DESIGN PLAYBOOK

Has Human Centered Design become part of your professional remit? The Victorian Government has developed a Playbook for those who are new to HCD practice. While it's set in a Victorian context, the design approaches, methodologies and outputs will benefit all public servants who are new to the HCD journey. [More >>>](#)
