

IPAA ACT NEWS AND EVENTS

MARCH 2020

Good morning

Welcome to IPAA's March 2020 newsletter.

There's less than four weeks until the IPAA ACT Conference, occurring on Tuesday 31 March. The program is now available on the [conference website](#) and I encourage you to register soon.

Other upcoming events include a sell-out, inaugural public presentation from newly appointed Australian Statistician, Dr David Gruen on 11 March. On 7 April we're co-hosting the annual Graduate Data Forum with the Graduate Data Network. This one-day event will help graduates and new starters build their data literacy and grow their networks.

We're also looking forward to launching the 2020 Public Sector Innovation Awards, partnering with Spark. Full details about the Awards, including the nomination form, will be available IPAA website from Monday 16 March.
